Urgent

We wish to advise Land Enquiry customers that some of the information on the screens of Land Enquiry may be up to 72 hours old. Land Enquiry information is usually updated overnight, due to technical difficulties this update has not taken place since Tuesday 29 August 2006.

We can confirm that all check search information is current and continues to be updated every 5 minutes.

Customers with concerns regarding the information showing on Land Enquiry can call our customer centre on 92737341.

We will post regular updates on LANDGATE until the issue is resolved.
