## PROPOSED NEW SCALE OF FEES

**AS OF 2 JULY 2007**

Subject to the Governor's approval in Executive Council, Landgate advises that a new scale of fees will apply from the commencement of business on 2 July 2007. The new scale of fees relate to provision of services for document registration, survey lodgement and searching at Landgate offices.

The proposed fee amendments will increase the base land transaction document registration fee for freehold and Crown land from \$82.00 to \$85.00, the deposited plan and strata/survey strata plan general fee from \$128.00 to \$133.00 and the basic search fee from \$13.00 to \$13.50.

No new regulation items or fees are being introduced except for a sub-item specifically identifying a power of attorney search.

Other fee amendments include the following:

- The production fee for duplicate titles is increased to \$42.50 for the first Certificate of Title. The fee for producing subsequent duplicate Certificates of Title, for the same document, remains at \$6.00 for each additional duplicate Certificate of Title.
- The fee for the withdrawal of a document from registration increases to \$42.50.
- An application to send 21 days notice (Section 138 TLA) increases by \$6.00 to \$170.00
- The deposited plan and strata/survey strata plan general fee increases by \$5.00 to \$133.00, if deposition with the Western Australian Planning Commission (WAPC) is not required. Additionally, the fee for each lot, other than a lot vesting in the Crown under section 152 of the *Planning and Development Act 2005*, increases by \$2.00 to \$52.00. If WAPC deposition is required, the fee for preparing copies and depositing a plan with WAPC increases from \$56.00 to \$58.00.
- Searching facsimile fee increases from \$2.20 to \$2.30.

Landgate's proposed fee increases are within the Western Australian Department of Treasury and Finance's proposed 2007/08 inflation factor of 4.8%. Where applicable the fees are rounded down to the nearest dollar for client convenience.
