My Landgate Online Services

Land Enquiry

Used primarily by Conveyancers, Legal Professionals and Surveyors to search and order, titles, surveys, and documents. Search options include name, address, lot on survey, reserve and certificate of title details.

EAS2 (Electronic Advice of Sale)

Used by Conveyancers to lodge to WaterCorp, Office of State Revenue, and local authorities information on impending change in ownership details, and to calculate outstanding rates and land tax.

Map Viewer

Map Viewer is a digital map that allows users to access a range of land information including aerial photography. Surveyors use Map Viewer to search geodetic marks, either graphically or by name.

easiforms

easiforms is used by Conveyancers and Legal professionals to automatically complete Transfer and Mortgage documents online, using Landgate registration and EAS2 data.

RSCS (Regional Scheme Certificates System)

Used by Conveyancers to request and receive Clause 42 and Clause 47 region scheme certificates. Also to receive confirmation of whether or not a resumption or re-zoning applies to a property.

Interest Enquiry

Interest Enquiry is used by property professionals to search a property for interests that may or may not affect how a client can use their land. View a demo at www.landgateinterestenquiry.com.

Survey

Access to the Survey Channel will only be granted to licensed Surveyors or Government departments that require access to Field Book information.
