

## How to Logon to Landgate Online Services

The launch of Landgate as a Statutory Authority brings together our corporate and business services websites. You can now access all the information you require from one website.

Existing customers of Land Enquiry, EAS2, Landgate mapviewer and other online services provided through the Surveying, Conveyancing, Government and Business channels simply need to click on **My Landgate** as shown below. This will take you to the logon screen for Landgate's online professional services.

The screenshot shows the Landgate website homepage. At the top right, there is a navigation menu with links for HOME, SITE LIST, SEARCH, and CONTACT US. Below this, a dark grey navigation bar contains links for About Us, Products & Services, Working with Us, and International. A red box highlights the 'Logon to My Landgate' link in the top right corner. The main content area features a large historical map titled '1879 Crown Lands and Survey Office'. To the right of the map is a 'Landgate News' section with three articles: 'Minister welcomes Landgate' (01 Jan.07), 'Progress on the Statutory Authority' (12 Dec.06), and 'Land Information Authority Act Available on Internet' (29 Nov.06). Below the news is a 'Products Available' section with four icons: TITLE SEARCH, AERIAL IMAGERY, MAPPING, and ONLINE SERVICES. At the bottom, there are three columns of links: 'I would like to' (subscribe to Landgate online services, obtain a copy of title or survey plan, change details of title, know what a property sold for, buy a map, know the history of WA place names, get information on Property Valuations), 'Information For' (Home Owners, Conveyancers, Government, Surveyors, Farmers, Planners/Property, Students, Travellers/Tourists), and 'Quick Links' (Shared Land Information Platform, Forms and Fees, Free maps of WA, Registration Fees, Landgate Practice Manuals, Freehold Land Registration Forms, Customer Lodgement and Registration). The footer contains links for PRIVACY, COPYRIGHT, DISCLAIMER, PUBLICATIONS, and FEEDBACK, along with the Western Australian Land Information Authority logo and the Government of Western Australia logo.

Enter your username and password details just as you did previously and click *Login*. Your Landgate session will proceed as beforehand.

Please type your username and password
