Landgate Mentors Plant The Seeds Of Knowledge

The Woodbridge Primary School Kitchen Garden, proudly sponsored by Landgate, was officially opened on Monday September 14, 2009.

The project incorporated a number of jobs. These included the creation of vegetable and herb plots and the artistic painting of the surrounds.

Landgate's Product Information and Performance Manager, Greg Doehring certainly dirtied his hands with this project. He has been a mentor at the school and has helped the students in the building of an outdoor table setting that is located next to the garden.

Mr Doehring said the students played an active role in the design, construction and installation of the setting.

"Students also designed and painted the chairs and table with a brightly coloured art theme that visually matches the vegetables and plants contained in the Kitchen Garden," he said.

"The Kitchen Garden project has given these students a chance to do something practical and has given them a real sense of achievement."

Landgate Chief Executive Mike Bradford was invited to the garden's official launch and said that Landgate's involvement with such projects was extremely important.
