Surveyors Portal - Personal Information Collection Notice

The Land Surveyors Licensing Board of Western Australia (LSLB) collects personal information where required by law or to provide services to you. In addition to our [Privacy Policy](#), this notice provides further details about the collection of your personal information via the collection method identified above.

Collecting personal information

We collect your personal information for the purpose of creating an online account.

Authority to collect personal information

Your personal information is collected for the purposes of the *Licensed Surveyors Act 1909* to maintain an account and to conduct the profession of a licensed surveyor.

Choosing not to provide personal information

If you choose not to provide some or all of the requested personal information, this will limit our ability to maintain your profile within the portal.

Disclosing personal information

As part your professional profile, your personal information may be disclosed to the LSLB and subsequently the State Administrative Tribunal, should a formal complaint be raised at any point in time.

Accessing and correcting personal information

Our Privacy Policy contains information about how you may access and correct your personal information that is held by Landgate.

Privacy complaints and questions

Our Privacy Policy outlines how you can lodge a complaint regarding any suspected mishandling of your personal information and how Landgate manages and responds to such complaints.

If you wish to contact Landgate about a privacy-related matter, including questions about this collection notice, please contact our Privacy Officer:
