

Request for Digital History List

When to use this form: A Digital History List shows the record of documents that have been lodged and registered over a Certificate of Title since it was converted to a Digital Title. Digital Titles came into effect around the year 2000, although the year an individual Certificate of Title is converted to the digital registry may vary.

Please download/save this form first before using a PDF reader to complete the form. You can then save and email the completed form to Landgate using the email address below.
